

We are proud to announce that **PT. Elegant Textile Industry** has been recognized as the Runner-Up at the prestigious Grow Getters Award 2025 at ABG Group level for its exceptional achievement in **Decarbonization**—reaching 100% renewable energy and eliminating Scope 2 emissions.

This milestone is a significant step forward in our sustainability journey and directly contributes to the Aditya Birla Group's **NetZero 2050** aspiration.

By embedding decarbonization as a strategic driver of long-term value and climate responsibility, the Unit has positioned itself as a frontrunner in sustainable manufacturing across Aditya Birla Group.
